

What Is the Free State Project?

- * Out-of-state group trying to take over NH.
- * Since 2003, they've moved thousands here to:
 - end public education
 - remove town control of budgets and zoning
 - serve the needs of the wealthy behind their agenda
- * Becoming more extreme every year

Their legislators force up property taxes
 because they purposely underfund state budgets and downshift costs to towns

- * Working families taxed 3X as much of their incomes as the top 1% of Granite Staters.
- * Property tax increases push up rents.
- * Makes housing unaffordable
- * Say they want non-libertarians to leave NH

Let's show them
 NH is NOT their Free State Project!
